REPORT of SUPERINTENDENT of SCHOOLS

TO THE SCHOOL BOARD AND CITIZENS OF MADBURY:

This, my third annual report as Superintendent of Schools in Madbury, will deal with the following subjects: numbers of Madbury children attending elementary and high schools, school census, transportation, and finances.

Although Madbury operates no schools, there are continual problems of pupil and financial accounting and of attendance and transportation that require considerable time on the part of the School Board and Superintendent.

Madbury children attending public schools in September, 1949 were as follows:

School	Grade	1	2	3	4	5	6	7	8	9	10	11	12	Total	Rate
Durham Center		0	3	1	0	1	1	1	0	0	0	0	0	7	100.00
Dover Elem.		10	7	3	9	5	6	5	12	0	0	0	0	57	75.00
Barrington Elem.		0	1	0	1	0	0	0	0	0	0	0	0	2	85.59
Dover High		0	0	0	0	0	0	0	0	8	7	6	5	26	181.02
Totals		10	11	4	10	6	7	6	12	8	7	6	5	92	

The following school census figures of September, 1949, as taken by Mrs. Edna Twombly, indicate the numbers of all children living in Madbury by age groups from birth to sixteen years of age:

<i>Age by yrs.</i>	<i>Number</i>	<i>Age</i>	<i>Number</i>	<i>Age</i>	<i>Number</i>
Less than 1	11	6	12	11	6
1	12	7	9	12	6
2	12	8	8	13	10
3	3	9	10	14	8
4	5	10	10	15	7
5	5				

TRANSPORTATION

Your School Board has spent considerable time considering ways of rearranging transportation routes or "doubling up" with those of surrounding towns in order to get the most efficient service. The only change that has been made since the last school year was in transporting ten Durham Road children to Dover on the buses that transport Durham high school pupils to Dover; this arrangement, at a rate of fifty cents per pupil per week, eliminates the necessity of an extra vehicle over that area and therefore a decrease in expense to Madbury. It is doubtful if this can be done next year because of an expected increase in the numbers of Durham children. Other routes are covered, as in the past two years, by the Wentworth Bus Lines of Dover.

FINANCES

As the Madbury tax payers are well aware, the total school expenses from local sources have increased. This increase is caused largely by the following factors: (1) Loss of state aid for many local school districts including Madbury (2) An increase in the numbers of Madbury children of school age and (3) an increase in high school tuition rates. It seems that tuition rates at Dover High School have kept pace with such rates throughout the state. It is anticipated that there will be an increase of approximately twenty dollars per pupil for next year in the High School and an increase of twenty-five dollars each in the elementary.

As is probably known, the last legislature decreased the amount of State Aid to local school districts from approximately \$2,000,000. to approximately \$400,000. The formula that was specified by the legislature for use in apportioning the comparatively small amount of money throughout the state this year was of 1918 vintage; local

conditions in Madbury have changed as well as have amounts of equalized valuation, number of pupils, etc. elsewhere throughout the state and Madbury therefore got absolutely nothing from the state this year as compared to \$2,755.33 during each of the past two years when the state was distributing \$2,000,000. and to approximately \$500.00 previous to 1947.

As a result of action by the 1949 Legislature, receipts from dog licenses will remain in the town finances rather than be transferred to the school district from now on.

In conclusion, I wish to thank the members of the School Board and other District Officers who have cooperated to make our work effective.

Respectfully submitted,

JONATHAN A. OSGOOD,

Superintendent of Schools.

REPORT OF FIRE DEPARTMENT

TO THE CITIZENS OF MADBURY:

For the Madbury Fire Department the year 1949 was a year of progress and success in its program.

The fire truck is garaged in Madbury this winter by your vote to allow the fire department to remodel and use the Central school for the purpose of housing fire equipment. The remodeling has progressed slowly and steadily with the generous contributions of material and labor from many of the citizens and organizations of the town.

In addition to the space for housing the fire equipment there is a meeting room which is available for the use of any organization or group of citizens in Madbury.

The Department responded to eight alarms.

3 Grass Fires
1 Incinerator Fire
2 Chimney Fires
2 Out of Town
Permits issued, 27

The people of Madbury are to be complimented on their fire record of 1949. Such a record is possible only by extreme care in the elimination of fire hazards around buildings, and full cooperation with the fire department in obtaining permits and careful use of fire in the open.

Respectfully submitted,

JAMES COLPRIT,

Fire Chief.
